

MOVE IN LATER. LIVE NOW.

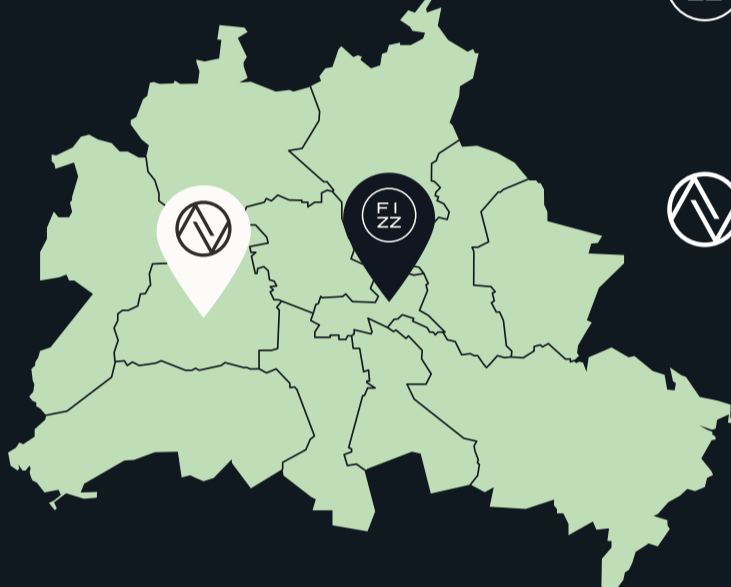

Your Berlin story starts the moment you arrive.

You're one of the very first future residents of **THE FIZZ Berlin Friedrichshain** and that means your Berlin chapter starts a little differently.

Your new home at THE FIZZ will open for move-ins from **June 2026**. To make your arrival easy, you can start your contract anytime in spring 2026, securing your apartment well in advance.

Until your FIZZ home is ready, you can choose where your Berlin story begins - in a modern Serviced Apartment nearby or at **HAVENS LIVING in Charlottenburg**, where you can live like a true Berliner from day one.
